Carl Kryglorff

5 Nov 26

(I) Expect to be misunderstood.

(2) The battle against bot-speak --- before there were LLMs. "Historical rea
on." Liquid communal subject goo.

(3) I depend on others to check their own lives in the world. I mention
famous so-and-so, but its all nasty vapor sans personal validation.

(4) I have no authority, no credentials. I have no magic proof lever. I am
--- in my eye own eyes --- "woke" to the ruin of the sky.

(5) I am a sarcastic Whitman ass dildo.

(6) I jabberyawkp slimy brown notes.
(7) I am a whiff of plastic zen gash.
(8) I am a parody Christ from Uranus.
(9) The little schoolboys sniff their scripture.
(I0) "The truth is a boy's pink penis."
(II) Nietzsche's work is a muted post horn.
(I2) The "boys" are smelling their father fingers.
(I3) The geek over there owns language.
(I4) He looks for someone as idiotically free as me.
I look
(I5) I look for others "beyond language."
(I6) I dont mean pious solemn cure purveyors.
(I7) No one will be spared.
(I8) "Beyond language" is cosmic irony, "skepticism" about language.
(I9) "wisemens counters money of fools" : Hobbes
(20) "They" want a "serious" "credential" man.
(2I) "save us from our freedom"
(22) "give us a Law"
(23) The prole identifies with the asshole oligarch.
(24) videogame ontology --- ought to crank it out like sausage from an
LLM
(25) "tell me my life isnt real"
(26) translation : tell me how to tell others that their lives are not real
(27) videogame boy abases himself to be exalted
abases
(28) the world as material violence is deaf to the language police man,
the retired professor of wittgenstein-austin shit
(29) the "AP" stereotype klown is deaf to the central message of his own
self-corrosive scripture
(30) The anti-guru functions as an idol.
(3I) "meaning is use" is a bloody fireaxe --- for those with ears to hear
(32) the "boy" cannot help but to mishear the post horn
(33) these motherfuckers are soft.
(34) Arms and the man by G B Shaw -- I learned some shit from Shaw
(35) the pomo utopia boys are out there too
(36) Rorty is between channels, half tubby prophet, half knowing snake.
(37) Hobbes is a man with blood on his hands and slit on his prong.
(38) O ye professors, of wine cheese and napkins
(39) managerial class mystique
(40) "revolution" in the footnotes
(4I) I dont pretend to revolt. I "am" the problem. I "am" the system.
(42) I contain all that I despise.
(43) I am brown suppressing an urge to glow white. A false white.
